

**Gateway Garden Club
Audubon District**

Member of The Garden Club of Kentucky
and
National Garden Clubs, Inc,

Gateway Garden Club of Cadiz was chartered in 1970.
Our motto is "Plant until you are Planted".

Meetings are held the second Wednesday of each month except January at the John L. Street Library on Main Street in Cadiz unless a field trip is scheduled.

Yearly dues are \$20.00. This includes state dues and \$1.00 per member for the Dollars for Scholars Program.

Our major ongoing project is the planting and maintaining of the Blue Star Memorial Garden. We also host an annual spring wildflower walk.

For information on monthly topics or field trips, please email Jan at:
