- **Artwork** Go to www.polarengraving.com/clip-art-gallery to see all their options or visit the Franklin Post Office, Goodnight Library, old County Courthouse, or Historical Society to browse the pictures. You can also use your own picture. If you need help with that, let the Franklin Garden Club know!
- **Keepsake replica tiles** in black stone are 4"x4" and cost \$20. You can also order two identical bricks, one to keep for yourself and one for the Veteran Plaza, or you can order one brick to keep.
- **Know more than one veteran?** Use as many of these pages as you need and staple them together. Please put your name and contact information on each page.
- **Don't know a vet but want to help?** The Historical Society has names of 5000 veterans from Simpson County—adopt one! Or donate to the Help Fund so someone else can buy a brick for their veteran.
- **Not enough space for all the letters?** Add the \$5 for art. We'll make it fit, along with a picture if you've selected one.

Donations (in supplies, labor, or money) are always welcome!
