INSTRUCTORS

Horticulture – Dot Yard

Native of western Pennsylvania, growing up on a small farm, where flowers were prolific, and having window sills overflowing with plants in the winter months was the norm. During the growing seasons, flowers and trees/shrubs of all kinds were tended and revered as much as the vegetables and fruits. Graduate of California State College, BS Ed. Mathematics, and West Virginia University, MA Counseling & Guidance. Past president of the Garden Club Federation of Pennsylvania. Five Star Member of NGC. Instructor for Flower Show Schools and Symposium for NGC, Inc. Currently serving on the NGC Awards Committee for Flower Show Achievement Awards. Enjoys gardening, church activities, grandchildren, solving puzzles and doing needlework. Co-habits with one cat, Barney, but only when he chooses. Exploring the United States and beyond has been an added bonus to being involved in the NGC FSS program, with opportunities to travel in all fifty states, while teaching in thirty-eight. *If we all did the things we are really capable of doing, we would literally astound ourselves!*

Design – Gina Jogan

Design Instructor since 2002; Master Flower Show Judge, Master Gardening Consultant, Master Landscape Design Critic; Member and Presenter of CFAA and OFAD. Presenter, facilitator, speaker at workshops, programs events...too numerous to list! Her designs have been published in articles, magazines, calendars, and on-line. A graduate of Florida State University. Hobbies include reading, travel, needlework, quilting, and the grandbabies! She has two grown children, five grandchildren, one great-grandson, and expecting a new great-granddaughter in the Spring!
