

# Big Bone Lick State Historic Site

## INVASIVE SPECIES FIELD DAY

The Kentucky Energy and Environment Cabinet, the University of Kentucky, and community partners will be leading a day of education and action towards the removal of invasive species. Learn about invasive species, native plants, pollinators, and partake in the removal of some invasive plants!

*Invasive Honeysuckle*

*Native Coneflower*

*Tiger Swallowtail*

## November 9, 2019

9:00 a.m. to 1:00 p.m.  
at the Museum Area

Snacks  
provided for  
volunteers!

*Pants, long sleeves, gloves, and sturdy footwear  
are recommended during invasive species removal.*

For more information call (859) 384-3522 or email [amelia.hulth@ky.gov](mailto:amelia.hulth@ky.gov).
