Every year, GCKY recognizes individuals, clubs, councils, districts and youth for outstanding projects and activities during the previous year. These awards reflect GCKY's efforts to promote the goals of National Garden Clubs, Inc. A significant amount of money is included with the first-place awards won each year. Our awards program needs your generous support to continue in this new term.

Please consider sponsoring one or more awards – most are \$20 each but we also have a few at \$25 – by using the form below. Your donation is tax deductible! If you wish to sponsor a specific award, please designate that award. These requests will be honored on a “first come” basis. If your donation may be used where needed, please write “ANY” after Award #. If your sponsored award is not given in 2022-23, please indicate whether the donation money should be refunded, carried over for the next year or placed in the Awards General Fund (to be used for ribbons and certificates). This information is mandatory to keep GCKY in compliance with IRS regulations.

Thank you for your generous support of GCKY's Award Program.
